

Triumph Tiger 800/XC Pannier Rack Installation Instructions

Installation Instructions – Triumph Tiger 800/XC

Thank you for purchasing a BUMOT luggage system for your motorcycle. BUMOT luggage is handcrafted in Bulgaria and is designed for the rider who demands the most durable and functional luggage for their adventure touring. We're confident you will enjoy your new luggage system for years to come.

Please read through these instructions completely before starting installation. Leave all hardware loose until all components are in place and initial assembly is completed. Once everything has been installed, tighten all bolts snugly. Do not apply liquid threadlock (LocTite or similar) to any bolt which has a self-locking nut.
